SPECIAL ANNOUNCEMENT - October 1, 2007

UPS – FEDEX Shipments

We are pleased to announce that effective immediately we now offer weekend clearances of UPS and FEDEX shipments at no additional cost.

If your goods are shipped overnight on Friday, UPS and FEDEX will turn documents over to us on Saturday for clearance by L. M. Clark the same day. This will enable you to either pick up the goods on the weekend, or have the carrier deliver them to you or your customer on Monday morning.

If you do have an urgent shipment arriving over the weekend by UPS or FEDEX, please provide us with the details as soon as possible so that we can ensure a timely clearance.

Just as a reminder we do have a 24/7 service and we can be reached at 416-379-1457.
